issued in the compliance with the Directive 89/106/EEC as subsequently amended, whose requirements are implemented by the Czech Government Order No. 190/2002 Coll., in the wording of subsequent amendments, certifies that the construction product

Pigments for the colouring of building materials

introduced on the market by the company

RIALTO S. C.

Ul. Diamentowa 10, 26-026 Morawica, Poland

NIP: PL9591804248

and produced in the factory

Ul. Nidziańska 3H, Brzeziny, 26-026 Morawica, Poland

is submitted by the manufacturer to initial type-testing and to the factory production control (FPC) and to the further testing of samples taken at the factory in accordance with a prescribed test plan and there are fulfilled all provisions concerning the management and attestation of FPC, as they are stated in the Annex ZA of the harmonized technical standard:

EN 12878:2005 "Pigments for the colouring of building materials based on cement and/or lime – Specifications and methods of test"

The Notified Body No. 1023 has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the FPC according to Article 13, paragraph 3, item b) of the Directive 89/106/EEC. The detailed product descriptions, assessment procedures and inspections results including their evaluation are presented in the ITC's Final Report No. **753500707/2012**.

This Certificate remains valid as long as the referred harmonized standard, manufacturing conditions or the FPC are not modified. The validity of the Certificate is also contingent on the positive results of the surveillance inspections.
